Description of webinar: This 90-minute webinar will be the third in a series of five webinars. Participants will learn about promising practices to build collaborations with law enforcement and how to utilize these relationships to promote community safety and obtain U visa certification. Techniques for effective communication, identifying common goals and overcoming challenges will be discussed. The faculty for the webinar are law enforcement officials with national experience in training law enforcement on U visa certification. This is an interactive webinar in which attendees will be encouraged to participate and ask questions. Educational materials and screening tools will be available for advocates and law enforcement working with immigrant survivors of domestic violence, sexual abuse and human trafficking.

Closed Captioning is Available.
