

# CENTER FOR COUNTERING HUMAN TRAFFICKING

PREVENTION ★ PROTECTION ★ PROSECUTION ★ PARTNERSHIP

The mission of the **DHS Center for Countering Human Trafficking (CCHT)** is to advance counter human trafficking law enforcement operations, protect victims, and enhance prevention efforts by aligning DHS' capabilities and expertise. The CCHT is the first unified, intercomponent coordination center for countering human trafficking and the importation of goods produced with forced labor.

Guided by the *DHS Strategy to Combat Human Trafficking, the Importation of Goods Produced with Forced Labor, and Child Sexual Exploitation*, CCHT integrates the efforts of every component within DHS involved in combating human trafficking. DHS efforts range across criminal investigations, victim assistance, identifying and reporting of human trafficking, external outreach, intelligence, and training. The CCHT better equips and positions DHS to accomplish and improve every aspect of its counter human trafficking efforts.

## CCHT AT WORK

- Drive criminal investigations of forced labor and sex trafficking through coordinated intelligence and evidence-based strategies.
- Seek improvements to delivery of victim protections, including victim-based immigration benefits, a national Continued Presence program for law enforcement, and robust identification.
- Increase human trafficking victim identification through training, nationwide public awareness, and screening tools.
- Incorporate proven and promising victim-centered practices into DHS policies and protocols.
- Strengthen trade enforcement against the importation of goods produced with forced labor.
- Assist procurement implementation and enforcement efforts to prevent and deter human trafficking in DHS acquisitions and contracts.
