Small group activity: Scenario

Sam, a U.S. citizen, met and began living with Herminia while working for a U.S. company in Ecuador. Sam's abuse began in 2002 when Herminia was pregnant with their first child, Ana, and has continued to date. Sam and Herminia married in 2006 after their second child, Clarisa, was born. In 2007, Sam brought Herminia, Ana, and Clarisa with him when his company transferred to work in the U.S. After the move to the U.S. Sam's physical abuse of Herminia escalated occurring at least weekly. In 2014, when Herminia became pregnant again, Sam began sexually assaulting Ana. During this same time, Sam quit his job and began working for a business run by his cousin. Herminia cares for the parties three children Miguel (3), Clarisa (12) & Ana (16).

7

Small Group Discussion:

- Sam and Herminia have separated
- Herminia is living in the house with the children and is seeking a protection order and is filing for divorce.
- What type of economic relief or assistance would Herminia and the children need?

8

Spousal Support and Economic Relief in Family Court Cases

Judicial Training Network

9

Background

- Spousal control over filing for immigration relief
 - Work authorization
 - Drivers' licenses
- Many forms of visas do not allow spouses and children of visa holders to work in the United States
 - Employment visas (H)
 - Student visas (F)
 - Diplomatic visas (A)
 - International organizations (G)
 - Investor visas (E)
- Immigrant victims have limited access to the public benefits safety net

Judicial Training Network

10

Large Group Discussion Sam and Herminia Scenario

- Assume this additional fact:
 - Before coming to the U.S. Sam filed immigration papers for Herminia and the children allowing them to legally enter the United States
- How might that affect options for economic relief for Herminia and the children?

Judicial Training Network

11

Affidavits of Support

- Under provisions introduced in the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, each person who petitions for a family member to immigrate to the United States must execute a legally enforceable affidavit of support.
- 8 U.S.C. § 1182(a)(4)(C)(ii)

Judicial Training Network

12

Affidavits of Support

- Enforced as contract or used as evidence of ability to pay support
- These affidavits are of increasing importance in resolving support issues in immigrant families, sometimes decades after the act of immigration is complete.

Judicial Training Network 13

Evidence in Affidavit of Support

- 3 years of tax returns
- Evidence of current employment
 - Including self-employment
- Proof of income sufficient to sustain the immigrant(s) being sponsored at or above 125% of poverty

Judicial Training Network 14

Who Is Required to Complete an Affidavit of Support

- Almost all immigrants who are applying to obtain lawful permanent residence through a family member must submit an Affidavit of Support.
- Citizen and Lawful permanent resident spouses submit an Affidavit of Support to the Department of Homeland Security in family based immigration cases

Judicial Training Network 15

In the Affidavit of Support Submitted to DHS the Signor Accepts the Responsibility:

- As a U.S. citizen or legal permanent resident for financially supporting the non-citizen relative and commits to preventing the immigrant family member from becoming a “public charge”
- “Public charge” is an immigration law term that describes someone who is or is likely to become primarily dependent on the government for income maintenance in the future

Affidavit of Support: Duration and Enforceability

- Promise to support family member for up to 10 years
- This responsibility lasts until the non-citizen either:
 - Becomes a U.S. citizen = Naturalizes;
 - Credited with forty (40) hours of work under the Social Security Administration - INA §213A;
 - Ceases to hold the status of an alien lawfully admitted for permanent residence and departs the U.S.;
 - Obtains in removal proceedings a new grant of adjustment of status;
 - Dies
- Courts have relied on the Affidavit of Support to set spousal and child support obligations

Enforceability of the Affidavit Support

- Courts have found the Affidavit of Support enforceable and have ordered support payments to a former spouse.
 - See, *Shumye v. Felleke*, 555 F.Supp.2d 1020(N.D. Cal.2008); *Stump v. Stump*, 2005 WL 2757329 (N.D. Ind. Oct. 25, 2005)
 - *Kumar v. Kumar* A145181 (Cal. App. Div. II, July 28, 2017)(enforceable and no duty to mitigate)
- As part of a family law property settlement, the sponsored immigrant may surrender his or her right to sue to enforce the Affidavit of Support.
 - 71 F.R. 35732, 35740 (June 21, 2006).

Child Support in Mixed Immigration Status Families

Judicial Training Network

19

What are the immigration related issues you have seen in child support cases?

Judicial Training Network

20

Child Support & Immigration: The Parent Paying Child Support

- Payment of child support through the court provides a non-citizen parent with a history of child support payments
- This is helpful evidence of good moral character for immigration cases
 - Cancellation of removal
 - Naturalization
 - Obtaining relief in immigration court
 - Can be used to show hardship to family members

Judicial Training Network

21

Child Support & Immigration: The Parent Receiving Child Support

- Provides a custodial immigrant parent with evidence of child support that can be used as income in when applying for lawful permanent residency
 - Avoids public charge
- Importance of court orders maintaining immigrant children on their non-custodial parent’s health insurance policies

Immigration Issues Arising in Child Support Cases

- Lack of legal work authorization is not a valid defense to non-payment of child support
- Can order child support, but not a job search, of an undocumented non-custodial parent
- Can order non-custodial parent to obtain an ITIN and pay taxes
- Criminal convictions for willful failure to pay child support can be deportable theft/fraud related crimes of moral turpitude

Importance of Wage Withholding

- Creates documented track record of payment
- Improves safety for immigrant victims
- Courts have found employers who willfully violate wage withholding orders liable to the custodial parent for the amount of child support ordered withheld.
 - State v Filipino, Conn. Super. LEXIS 266 (2000)
 - Belcher v Terry, 420 S.E.2d 909 (1992)
 - Child Support Recovery Srvs., Inc. ex rel S.C. v. Inn at the Waterfront, Inc., 7 P3d 63 (Alas. 2000)

How Might You Establish A Non-Custodial Immigrant Parent's Income for Child Support Purposes?

Judicial Training Network

25

Proof of Non-Custodial Immigrant Parent's Income

- Undocumented workers can be ordered to pay child support based on
 - Child Support Guidelines
 - Actual earnings
 - Employer's statements
 - Evidence of earning capacity
 - Attributed income (e.g. minimum wage, affidavit of support)
- Undocumented workers can pay state & federal taxes on income earned using an IRS issued
