

The Department of Homeland Security's Interactive Infographic on Protections for Immigrant Victims

By Alexandra Brown and Leslye Orloff

February 2, 2017

The Department of Homeland Security (DHS) released an <u>infographic</u> detailing the protections afforded to immigrant victims. This interactive infographic describes qualifications and benefits for each form of immigration relief designed to help immigrant victims. When you click on each form of relief, a link takes you to a DHS webpage with further information, brochures and applications forms. We strongly recommend this tool to be used and disseminated by the following professionals, to help inform immigrant victims of their rights and available protections:

- <u>Courts</u>—this information should be available to the public at courthouses and in clerks offices across the country as one of the standard forms of legal **information available.**
- <u>Victim Advocates and Attorneys</u>—this information will be useful for screening, providing information to clients, and identifying the forms of immigration relief and benefits an immigrant victim may be eligible to receive.
- Healthcare and mental health care providers and social workers—this infographic will help healthcare providers identify victims whom they treat who are eligible for immigration protections.

Directory of Service Providers: Immigrant victims who potentially qualify for one of the forms of immigration relief described in the infographicshould be referred to agencies in the state or local community that have expertise working with immigrant survivors. A directory of programs serving immigrant victims in your state is available at http://www.niwap.org/directory/.

Action Needed:

Currently this infographic is available only in English and NIWAP is seeking your help to translate the DHS infographic into as many languages as possible. If you or someone you know would be interested in volunteering to translate, please contact us at info@niwap.org.

More Information for Immigrant Victims Published by DHS: NIWAP has compiled all the DHS forms and informational materials for each form of immigration protection included in the infographic.
