My income varies a great deal. I can earn \$2,375 a month, but some months I only earn \$890. It all depends on how much work I can get. Last year I made \$33,000, but with the car payment and rent, insurance of different sorts and food, child care, utilities, transportation, school tuition, clinic bills of \$4,000, you know, I'm lucky if I can put \$60-70 in the bank a month.

At about 7:15 p.m., a blue station wagon, maybe a 1981 Ford, southbound, approached the intersection of 35th N.E. and N 27th. There was a stop sign, I think, but the driver did not stop. Then he turned left and speeded away. I could just make out his license plate. I believe it was WKH 392.
