Dear Judge:

The National Immigrant Women's Advocacy Project (NIWAP) working in partnership with the National Council of Juvenile and Family Court Judges (NCJFCJ) on a State Justice Institute (SJI) funded project is pleased to invite you to participate in the **National Judicial Network: Forum on Human Trafficking and Immigration in State Courts (NJN)**. The NJN provides a forum for judges to engage in peer-to-peer learning forums with judges from across the country, participate in webinars, communicate with other judges in a members-only confidential email group, access topic-specific publications, and attend future in-person trainings on issues that arise in state courts involving human trafficking and immigrant victims. NJN forums and webinars are intended to help judges learn more about these complicated issues and, consequently, improve access to justice for human trafficking and immigrant victims of domestic violence, child abuse, sexual assault, and other crimes.

Judicial Peer-to-Peer Forums & Webinars

We are also inviting you to join monthly peer-to-peer forums (members-only) and webinars (wider audience) hosted by the NJN on the **first Tuesday of every month from 3 – 4pm Eastern**. Each session will be led by a judicial facilitator, with topics set in advance by the NJN's steering committee. Past topics have included: labor trafficking, commercial sex trafficking, familial sex trafficking, improving awareness of human trafficking among minority groups, immigration options and the court's role, among others. The dates are as follows:

February 6, 2024 (Peer-to-Peer Forum) – *Ensuring Judicial Safety: Strategies to Protect Judges and Court Staff*

March 5, 2024 – TBD

April 2, 2024 – TBD
