[c] The chart shows eligibility based on immigration status. Applicants must also meet all other program eligibility requirements, such as income/resource limits. Children and other family members included in an individual's immigration application receive the same access to public benefits as the applicant. When children qualify for federal or state public benefits, immigrant parents can file child-only benefits applications on their children's behalf. Congress exempted from the public charge ground of inadmissibility immigrant victims applying for immigration relief and lawful permanent residency through the following immigration benefits programs: VAWA self-petitioning (as defined in footnote "e"), VAWA cancellation of removal, VAWA suspension of deportation, U visas, and T visas. For technical assistance on benefits access for immigrant survivors please contact the National Immigrant Women's Advocacy Project, American University, Washington College of Law (202) 274-4457 or info@niwap.org. NIWAP would like to thank Michelle Aronowitz and Dean's Fellows Alexandra Brown and Sandeep Purewal for their work in developing these state public benefits charts.

[134] 22 U.S.C. § 7105(b)(1). Human trafficking victims with HHS certification or an HHS determination letter are eligible as refugees for 7 years. To continue to receive benefits once 7 years has passed since they received their HHS certification or HHS determination letter, they will need to file for and be granted a T visa. This allows them to continue to qualify for public benefits as qualified immigrants. So long as the trafficking victim files for a T visa soon after receiving HHS certification or determination, they should gain qualified immigrant status and the 5-year bar will be completed prior to reaching the 7-year limit on refugee benefits. States can also continue to provide benefits once the mandated seven-year federal coverage period for refugees and asylees ends. *See also* Nat'l Immigration Law Ctr., *Table 1: Overview of Immigrant Eligibility for Federal Programs in* Guide to Immigrant Eligibility for Federal Programs 17, 17-20 (4th ed. 2002, table updated Oct. 2011), https://www.nilc.org/issues/economic-support/table_ovrw_fedprogs/. *See* state law citations in this chart to identify if this state provides benefits for asylees and refugees beyond the seven-year limitation.

[355] Generally, to be eligible for unemployment insurance, each class of immigrant must have had prior work authorization and had to have been working with the authorization at the time they applied for unemployment. Work authorization must remain valid while they receive unemployment and if work authorization expires, then so does the eligibility for unemployment. The Guam Department of Labor's website contains information on what unemployment assistance is available in Guam. Go to *Unemployment*, GUAM DEP'T. OF LABOR, https://dol.guam.gov/unemployment/ (last visited Aug. 4, 2022).
